Donkey Dispatch

Volume 6

Good Day, Members and Friends.

No falling leaves or flocks of geese flying south overhead for us! But it IS SEPTEMBER, and we are moving forward in our goal of electing Democrats in the 2026 mid-term election. In order to accomplish this, we need to grow our membership, educate ourselves on techniques to reach the Democrats here in Pasco County, raise monies so we will be ready to more fully support Democratic candidates after the primaries, and make our displeasure known to the elected officials and our neighbors through protests.

“SAVE THE DATES” below give you important events that will help us reach the goals stated above. We trust you will participate in as many events as possible. We are charged with saving our Democracy!! Step forward!!

In Solidarity,
Peggy St. James, President
East Pasco Democratic Club
