Volume 5

We had a very encouraging EPDC (East Pasco Democratic Club) Member Meeting last night, August 18. US Congressional Candidate for CD 15, Robert People, was our speaker as well as having as a presentation by member Bill Soss on the importance of personal outreach to “engage and fire up” Democrats in our area. Next meeting is September 15. Hope to see all of you at 6:30 at the Genesis Center in Zephyrhills.

Many of us are feeling extremely angry, frustrated, helpless, discouraged, etc.,...a varied range of emotions, as the Trump administration unwinds one disastrous decision after another. You may be asking: what can I do? Here are some suggestions:

1. Become an East Pasco Democratic Club (EPDC) member if you are not already. Go to our webpage, Eastpascodems.com. There is a membership application you can complete online and pay the \$20 dues online as well. Support your local club!
2. And while you are at the webpage, make a donation. There is a donation button to click on. A one-time donation of any amount is appreciated. But a recurring, monthly donation of even a small amount is helpful. Also, attend Democratic fundraisers (see below).
3. Go to our social media Facebook page, The East Pasco Democratic Club. Like and comment on the posts that interest you. And then share a post or two to your personal social media page. The more interactions our page receives, the more our posts will be seen. Our followers have grown. We even have a Democratic club in Western NY that follows us as well as a Texas congressional candidate!

4. Download the 5 Calls app to your cell phone. (See below) It is a convenient way to reach out to our national elected officials. There are topics of concern to choose from, background information on the topic, names and phone numbers of elected officials, and even a script. Generally, you are leaving a message. But there is someone monitoring these messages and passing on the data to the elected official. Be sure to leave name and address.
5. Be visible in the community. If you have Democratic apparel (see below), wear it out in public. To a restaurant. A doctor's appointment. Shopping. The gym. Walking the dog. Will you get some negative looks and comments? Possibly. But the closet Democrats will be relieved to know that there are other Dems out there. Engage in conversation. Tell them of our club. We have East Pasco Democratic shirts for sale at our meetings. Only \$12.
6. Attend protests. We have several coming up on the Labor Day weekend in Zephyrhills and Dade City. While EPDC doesn't plan these events, we support them and spread the word. As soon as more specific information is available, we will advertise them.

Get Active! Be visible. Make phone calls. Make a donation to Democratic candidates and causes and clubs. Protest. We are just a small corner of the bigger world but we can start here!

Download this App to your cell phone for everything you need to make phone calls to Senators and Congresspeople on issues that matter to you and our Democracy!
