Donkey Dispatch Volume 4 July 14, 2025

Happy July, EPDC Members!

I know many of you are traveling this month, visiting family and friends. Or have family visiting you, especially grandchildren. Because so many are out of town (including your EPDC President and VP), there will be **no July meeting**, which has been part of our schedule for the past several years.

But there is still plenty you can be doing this month. The work continues in one form or another. See the calendar and flyers below for some events for you to participate in. In addition to these events, there is much you as an individual can do to promote the Democratic Party in Pasco.

***Wear Dem gear when you are out and about. To a restaurant. The Doctor's office. Grocery Store. You will be surprised by the positive comments you may receive.

***Place a Dem garden flag on your lawn. Or a Dem sign in a window. Or a bumper sticker on your car. Or a blue flamingo in your yard.

***Like and then share East Pasco Democratic Club posts on your personal Facebook or other social media pages. This is one of the Fight Team actions we are committed to. And it makes a difference in making us more visible.

***Sign up to vote by mail. All names were removed from the VBM lists as of Jan 1, 2025. So even if you received a mail in ballot in the past, you won't receive one in the future without re-signing. Can be done online or by a phone call to the Supervisor of Elections. 727-847-8162. And be sure to advise your Dem friends.

***Download and then USE the 5 Calls app. (See Below) This gives you all the tools you need to make calls to Senators and Congresspeople. Names, phone numbers, background info, and a script. Most of the time you get to leave a message only, especially with the senators. But it is important they hear from us. Very important to do this NOW. Congress takes a recess in August. And there's lots to comment on.

So much going on in the news. And, of course, the tragic news out of Texas. Our thoughts and hopes go out to the people of Texas affected by the flooding.
